

## **Ad-Hoc Country Code Cover Letter**

We, LigoWave LLC, declare that this EUT (FCC ID: V2V-FWBD2701; IC number: 7607A-FWBD2701) doesn't have Ad Hoc Mode function on "non- US/Canada frequencies" and/or "on DFS frequencies". In addition, the frequency selection feature is disabled by firmware for devices marketed to the US/Canada.

Should you have any questions or comments regarding this matter, please have my best attention.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'S. Chou', written in a cursive style.
