RE: replacement of completed user manual to replace preliminary manual submitted

Gentlemen:

The user manual for this product has been updated to reflect complete and current technical description and configuration. We request replacement of the preliminary manual exhibit submitted with the correct current version. This request and current user manual have been uploaded to your web site to be used in replacing the original exhibit.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink that reads "Scot Rogers".
