RE: Class II Permissive Change filing for V2W3644

To Whom it May Concern:

Sage Alerting Systems hereby files a Class II Permissive Change for the Sage Digital ENDEC, model 3644, FCC ID V2W3644. The purpose of this filing is to apprise the Commission that the device has been tested for compliance with the ECIG Implementation Guide pursuant to the procedures adopted in the Review of the Emergency Alert System, Fifth Report and Order, EB Docket No. 04-296; FCC 12-7 order. This filing is being made to update the device's existing certification file.

A statement confirming compliance with section 11.56 of the Commission's rules, and a copy of the IPAWS CA program SDoC have been included with this filing.

Sincerely,

Harold E. Price
President
Sage Alerting Systems, Inc.
