

## Declaration Letter

**Document Number**

PM-FCC-PM452-16

**Name and address of  
the Manufacturer**

POINTMOBILE CO., LTD  
A-26F, Building Gasan Publik 178, Digital-ro, Geumcheon-gu Seoul,  
08513 Republic of Korea

**We, POINTMOBILE CO.,LTD attest that this device under FCC**

ID : V2X-PM452W complies with device protocol requirements and operational restrictions: Indoor  
Clnet for 6XD.

- a. The product does not support 6PP category and the maximum power does not exceed authorized values.
- b. this device will only associate and connect with a low-power indoor Access Point or subordinate device, and never directly link to any other client devices
- c. this device will always initiate transmission under the control of a low power indoor AP or subordinate except access point for brief communications before joining a network. These quick messages will only occur if the 987594 D01 U-NII 6GHz General Requirements v02r02 client has detected an indoor AP, or subordinate, operating on a channel. These brief messages will have a time-out mechanism such that if it does not receive a response from an AP it will not continually repeat the request.
- d. this device, when associated and connected with a low-power indoor access point, or subordinate access point device, will operate at a power lower as advertised by the indoor access point or subordinate access point:
  - i. lower than or equal to the power advertised by the low-power indoor access point or subordinate and never above the maximum output power allowed by the FCC certificate for clients associated with indoor clients or subordinates.
  - ii. We acknowledging the device is prohibited for control of or communications with unmanned aircraft systems, including drones.

**Sincerely,**
