**Subject: Class II Permissive Change Request**

Pursuant to Section 2.1043 of the Commission's Rules, the Applicant hereby requests a Class II Permissive Change to the V3CAVMD7F11A product certification to allow the use of external antennas in place of the original ceramic chip antennas.

The attached test results demonstrate that the radiated emission performance is better than that of the original version and complies with FCC Class II Permissive Change criteria.

The Applicant understands that pursuant to Rule 2.1043, disclosure of this Application and all accompanying measurement information and other documentation not held as Confidential per the accompanying Letter Request for Confidentiality will not be made before the date of the Grant for this application.

Sincerely,

Frederick G. Weiss
