To whom it may concern,

We hereby respectfully request that under the provision of 47 CFR 0.459, the documents listed below as part of this application for certification be provided with confidential status.

Schematics

- “6 - Circuit schematics for AVMD7211 modular transmitter products - Confidential.pdf”

Operational Description, Data sheet, and Frequency Block Diagram

- “11 - Operational description of AVMD7211 modular transmitter products – Confidential.pdf”
- “12 - AVMD7211 module data sheet v0p16 - Confidential.pdf”
- “7 - Frequency Block Diagram of Avnera AVMD7211 modular transmitter products – Confidential.pdf”

Any exhibit / information for which we have requested confidentiality, but which may not be accorded such treatment by the FCC, should be returned to us.

The documents listed above contain trade secrets that are treated as strictly confidential by us. Substantial competitive harm to us could result should they be made available to the public, particularly inasmuch as none of the technical information regarding the AVMD7211 family of products is released for public consumption: *All* of our product data, application notes, etc are available on a secure website only to qualified customers and vendors, under password-controlled access. This is in contrast to many manufacturers, who release their datasheets for public access and review: Avnera does NOT provide general access to ANY of our technical
