Re: Change of Identification Authorization

FCC ID: T8I-PYRAMID

Date: February 7, 2008

To Whom It May Concern:

This letter grants authorization for representatives of Apollo Security Sales Inc. to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to the Farpointe Data, Inc. family of proximity reader low power transmitting devices operating at 125 KHz , FCC ID T8I-PYRAMID, granted on October 17, 2006. The equipment is electrically identical the only change being the plastic cover and labels on the device.
