Mr. Ramirez:

In order for processing of these certification applications (FCC ID: V4TRPPXTX506) to continue, the following issue (s) will have to be addressed:

- 1) The power output must be indicated on the application form
- 2) The Equipment Code on the application form is incorrect.
- 3) Item 15 on the application form is incorrect.
- 4) For the spectral density test, the video bandwidth must be 3 times the resolution bandwidth.
- 5) For the antenna conducted test, the video bandwidth must be 3 times the resolution bandwidth.
- 6) For the peak power measurements, the resolution bandwidth must be greater than the emission bandwidth.
- 7) The user's manual needs the following statement:  
"CAUTION: To comply with RF exposure compliance requirements, a separation distance of at least 20 cm must be maintained between the antenna of this device and all other persons."
- 8) Please provide MPE estimations.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website. Your correspondence number is V4TRPPXTX506-1
