

June 10, 2008

Federal Communications Commission  
445 Twelfth Street S.W.  
Washington, DC 20554

Subject: Confirmation of Design, FCC ID #: V7W001F40RFMODULE

This letter is to confirm the fact that, since testing for the RF Module was started in 2007, no design, component or manufacturing changes have been made. The current unit for production is the same as the unit initially tested.

Regards,

A handwritten signature in black ink, appearing to read "JC".
