RE: Request for placement into audit status for FCC ID: V88-TRX777 for supercede of host label

Please supercede the original exhibit "94-5001 FCC labelRevC ANSI A Title Block portrait 1" with the same titled exhibit "94-5001 FCC labelRevC ANSI A Title Block portrait 1" uploaded under label exhibit type today, 2/6/09.

The reason for this request is that the original exhibit showed the outside host label with the FCC ID on two lines.

The new label exhibit uploaded today is correctly placed on one line.

Thank you.
