

REF: 83373EMC-FCC247

To whom it may concern:

The Wireless Autani Transceiver Module (WAT3) is physically too small to support a label indicating the appropriate language as indicated by the FCC. In order to meet this label requirement the language is included in the WAT3 User's Manual (document number 80253). It can be found in Section 7 (Certifications), under Note 3. This note is included herein for reference.

**NOTE 3:** This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in blue ink, appearing to read "Randy Clayton". The signature is fluid and cursive, with a long, sweeping tail that extends downwards and to the right.

Randy Clayton, President & CTO
