

REF: 29994EMC-FCC247

To whom it may concern:

The ZigBee to RS485 Bridge (ZRB2), is physically too small to support a label indicating the appropriate language as indicated by the FCC. In order to meet this label requirement the language is included in the User's Manual, ZigBee to RS485 Bridge (ZRB2); document number 80071. It can be found in Section 5 (Certifications), under Note 3. This note is included herein for reference.

**NOTE 3:** This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Please contact me if there is any information you may need.

Sincerely,

RE: EMC29994 - FCC Logo Removal from Housing

To Whom It May Concern:

We have been advised to remove the molded-in FCC logo from the housing for the ZRB2 (1000141) and we plan to have the housing modified to remove this logo.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in blue ink that reads "Randy Clayton".
