Re: Request for confidentiality

Applicant: StealthWear

FCC ID: V9Z-STW-2375

To whom it may concern,

Request is hereby submitted by Stealthwear to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) of the FCC Rules.

In particular, the following sections of the application are to be kept confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Internal photos - We have patents pending on all hardware, and software. Due to the legality of this nature all photos must be confidential.

Rationale for request for confidentiality:

StealthWear has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to be a stylized 'S' followed by a long, sweeping horizontal stroke.
