RE: Change in ID Approval

Dust Networks Incorporated Original FCC ID: SJC-M2140  
Original Approval Date: 12/21/2007

To Whom It May Concern:

Dust Networks Incorporated gives authorization to the Federal Communications Commission to use information on file to grant Change in ID certification to Apprion, Inc. The model to be multiple-listed is identical in design and construction to the originally approved model.

The original test results continue to be representative of and applicable to the equipment bearing the multiple-listed model.

If you required any additional information, please contact us.
