Re: 125 kHz Transmitter - Verification Only

Hanchett Entry Systems, Inc
FCC ID: VC3-K100620PA
IC ID: 7160A-K100620PA

CT Project: p12a0007

To Whom It May Concern,

This Letter of Attestation is for the verification only regarding the 15.209 transmitter.

The 125 kHz transmitter meets the requirements of FCC CFR 15.209(a) in that all emissions are less than 470 kHz and greater than -40 dB below the 15.209 limit.

Therefore the 125 kHz transmitter is a verification only device.

Respectfully Submitted,

A handwritten signature in black ink that reads "Greg Corbin". The signature is written in a cursive, flowing style.
