LABEL REQUIREMENTS RF IC & FCC

Riga Development IC: 7195A-WISE250	Model No.: WiSE250 FCC ID: VFH-WISE250
* This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.	
Made in CANADA	

YELLOW – Means it has to go on the label

GREEN – Means it has to be added to our brochure.

** If label format is not in full scale, please indicate the dimensions of the label.

MUST APPEAR ON THE OUTSIDE OF THE CERTIFIED UNIT. ALL INFORMATION MUST APPEAR ON THE LABEL.

NOTE!!!!!!!!!!!!!!

Because of the small size of our module. We can omit the * text from the label and include in the manual/datasheet.
