Subject: 2 Questions Regarding Phone Functions

Dear Sir,

Could you please provide guidance with respect to the following questions:

1] Does the side USB port provide any other function besides charging of the phone?

BACL: Yes, the USB port does also function as a data port and its emissions were tested during the DoC Part 15 subpart B digital device portion. Attestation letter was uploaded.

2] The user manual describes Bluetooth functionality. Does the phone contain a Bluetooth transmitter?

BACL: Bluetooth function is not available for the EUT, revised user manual has been uploaded.

Thank you for your attention to these matters.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal pursuant to Section 2.917(c).

DO NOT Reply to this email by using the Reply button. In order for your response to be processed expeditiously, you must upload your response via the Internet at www.fcc.gov, E-Filing, OET TCB/Accreditor Electronic Filing, TCB Login, Submit Correspondence. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
