RF exposure exhibit considers only Occupational/Controlled limits. However devices such as this where all installations may not have strict access controls, barriers and restrictions needs to consider installation and operating instructions based on both General Population / Uncontrolled as well as Occupational / Controlled limits - other guidance is given in OET Bull. 65 and Supplement C. Please revise RF exposure exhibit accordingly and installation / operating instructions where appropriate.

Response: Please refer to the revised RF exposure exhibit and the revised user manual submitted with this response.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal pursuant to Section 2.917 (c) and forfeiture of the filing fee pursuant to section 1.1108. DO NOT reply to this e-mail by using the Reply button. In order for your response to be processed expeditiously, you must upload your response via the Internet at www.fcc.gov, Electronic Filing, OET Equipment Authorization Electronic Filing. If the response is submitted through Add Attachments, in order to expedite processing, a message which informs the processing staff that a new exhibit has been submitted must also be submitted via Submit Correspondence. Also, please note that partial responses increase processing time and should not be submitted.
