RE: Yokoyama Co. Ltd.

FCC ID: VH31111

I have a few comments on this Application. Please answer these questions and return as a response letter. Depending on the answers there might be more questions.

1. The label has the FCC logo on it. To be able to have the FCC logo on it the application must have a Declaration of Conformity associated with it. I can find no reference to a DoC in the test report. Please explain.
2. The Cover letters are signed by Joe Suzuki. The Point of Contact registered with the FCC is Shuichi Yokoyama. Please upload a letter from Shuichi Yokoyama stating that Joe Suzuki has authority to act for and in behalf of Shuichi Yokoyama.
3. Please upload a Label location photo to the label exhibit.
4. Power output is listed as 9 mW but the test report states 8.11 dBm which is 6.5 mW. Please explain.
5. There is no request for confidentiality letter. Is that correct? Just making sure.

Thank you,

A handwritten signature in black ink, appearing to read "Douglas E. Noble".

Douglas E. Noble
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
