Subject: Response of FCC certification for the artecsound.

Dear Ms. Xing Liu

Thank you for your kindly cooperation, this is answer about your question for FCC certification.

Is the piezo transducer part of the EUT?

☞ There is not EUT's piezo transducer part. It is each.

If not, what will be typically used?

☞ EUT is linked by piezo unconditionally.

Please indicate how the guitar was played during the bandwidth test.

☞ During the bandwidth tested, Inputted was guitar code.

You should strum some typical chords and stroke the chord hard to get maximum typical sound.

Revise the test report.

☞ A test report is revised. and attached.
