---

September 13, 2011

To: Federal Communications Commission  
Authorization and Evaluation Division  
Confidentiality Request regarding application for certification of  
FCC ID: VJ3-QT-600-TAG

To whom it may concern,

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below:

- Schematics SchematicVJ3-QT600v2.pdf
- Block Diagram BlockDiagramVJ3-QT600.pdf
- Operational Description CircuitDescriptionVJ3QT600v2.pdf

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Pursuant to DA04-1705 June 15, 2004 of the Commission's public notice, we also request available maximum days of temporary confidential treatment of information accompanying this application as outlined below:

- Internal Photo #2 IntPhoto2-VJ3-QT600.pdf

The referenced product is a sealed device, serviceable only by Grantee. In addition, Internal Photo #2 discloses a novel antenna system invention covered by U.S. Patent Application 12/857,528 filed August 16, 2010. The details of this patent application will not be publically available until eighteen months after filing (February 16, 2012). We therefore request Internal Photo #2 be kept temporarily confidential for the maximum period or at least until after February 17, 2012.

If you have questions or need further information, please contact the undersigned.

Sincerely,

Dr. Hans G. Schantz, CTO  
Q-Track Corp
