To whom it may concern,

Masimo Corporation is submitting the Radius PPG reusable chip for FCC original certification.

Radius PPG reusable chip is 1.23 by 1.18 by 0.26 inches. With these dimensions, Masimo is planning to include the details of FCC ID in the user manual only. We would like to submit this letter to FCC to grant us exception from requiring to place the FCC ID on the Radius PPG chip reusable enclosure.

Location Dimensions in inches - Tolerance +/- .020

Sincerely,

Anamidevi Joshi
