The image shows a white rectangular table with a metal frame, positioned in a laboratory or industrial setting. The table has a white label with the number '0609066' on its left side. On the table's surface, there is a small electronic device connected to a power source by a thin wire. The power source is a blue and white unit on the floor to the left. The background is a large, metallic, reflective wall. The floor is dark and has yellow and black striped safety tape applied to the legs of the table.
