

Boulogne-Billancourt, August 30th, 2007

Emitech
Albin Maridet
3, rue des Coudriers – CAP 78
Z.A. de l'observatoire
78180 MONTIGNY LE BRETONNEUX

Reference FCC ID: **VLYPN3X003**

I confirm to you that both products X970 and X970T are based on the same PCB platform, but on the X970, the RDS/TMC function is annihilated by the ViaMichelin Navigation V6.6 Software. The end-user cannot access to the RDS/TMC function.

Sincerely,

A handwritten signature in blue ink, appearing to read 'O. Maridet'.
