Subject: Request for Confidentiality
FCC ID: VN5-CN

To Whom It May Concern:

Pursuant to the provision of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459) we, Ascensia Diabetes Care US Inc, are requesting the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely.

Schematic Diagram, Block Diagram, Theory of Operation, Antenna Specification, Hardware Design Specifications, Bill of Materials, and PCBA Layout.

The above mentioned documents contain detailed system and equipment descriptions and are considered proprietary information in the operation of the equipment. The public disclosure of the above documents may be harmful to our company and would give competitors an unfair advantage in the market.

In addition to the above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR § 2.803 and the importation rules in 47 CFR § 2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant short-term confidentiality request on the following attachments until 180 days after the grant date.

External Photos, Internal Photos, Test Setup Photos, User Manual

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and that information will be available for public review once the grant of equipment authorization is issued.
