

Non-Conformities FCC ID: VNG-AI01RM (CKC CS Ref # E07-000100-FCC-01)

The items listed below represent requests for information following review of this application for certification under United States (FCC) regulations. . Further question may arise pending review of responses to these items.

OK	#	Non-Conformity or Comment	Submitted Response	Respondent / Date of Response
X	1	The provided FRN Number is for a company "Applied Innovations" however the application is for "Active Innovations." Please confirm which entry is correct. Please note that it is the responsibility of the applicant to update the Federal Governing in the event of changes of any information. As necessary, please update the FRN or Grantee information using the FCC (Grantee registration website) or CORES (FRN Database website).	<a href="#">0016902108</a> has been changed.	C Grasso 10/22/07
X	2	The FCC ID supplied via the CKC CS website does not match that provided in the Label exhibit or in the Confidentiality letter. Please confirm which is correct: VNGAI01RM or VNG-AI01RM?	Confirmed with a dash.	C Grasso 10/22/07
X	3	The supplied FCC ID label is missing a required semi-colon ":". Please provide an updated label in accordance with 2.925 using the FCC ID: XXXYYYYYYYYYYY format.	Updated label provided.	C Grasso 10/22/07
X	4	As previously noted, the FCC ID label must not be affixed to a removable part of the EUT. The ID label must be	See updated label placement	C Grasso 10/22/07

		mounted on the exterior of the product and readily visible by the user. Please update label placement.		
x	5	Confidentiality letter: In accordance with 0.457 and 0.459, a request to hold internal photos confidential for a consumer product must be justified. Proper justification may be that the equipment is potted and any attempt to view the PCB would destroy the equipment. Either provide further justification for holding internal photos confidential or remove this item from your request.	Updated confidentiality letter provided.	C Grasso 10/24/07
X	6	For schematic diagrams, it appears that uploaded document is for the other application. Is this a shared part between the two units? Please clarify.	Correct schematic uploaded.	C Grasso 10/22/07
X	7	For the internal photos provided, a detailed photo of the front of the RF board is missing. Please provide.	Updated photo provided.	C Grasso 10/22/07
X	8	For the external photos provided, a detailed photo of the front of the equipment is missing. Please provide.	Updated photo provided.	C Grasso 10/22/07
X	9	Please confirm frequency range of equipment. The application lists 2400-2483.5, however the operational description lists 2410 and 2480. Does the device only operate on the two distinct frequencies? Please list the frequency range from the center frequency of the low and high channels. If there are no other channels used, please indicate so.	Confirmed, 2410 and 2480 only.	C Grasso 10/22/07
x	10	Please provide an updated users manual incorporating the statement required by 15.21, "The users manual or instruction manual for an intentional or unintentional	Updated users guide provided.	C Grasso 10/22/07

		radiator shall caution the user that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."
