

## Declaration Letter of professional installation

Date: January 29, 2019

UL Japan, Inc.  
4383-326 Asama-cho, Ise-shi,  
Mie 516-0021 Japan

FCC ID : VPYLNRF052  
Applicant: Murata Manufacturing Co., Ltd.

To whom it may concern:

This product is mounted inside of the end product by professional installers OEM. They use this module with changing the power, operating frequency setting and operating mode (US Wide or US Narrow) by the software of end product within the scope of this application. Also an appropriate antenna is connected depending on the mode. End user cannot change these settings.

Thank you for your attention to this matter.

Sincerely,
