Re: Change of Identification Authorization, FCC ID: QOQWT11IA

To Whom It May Concern:

This letter grants authorization for representatives of Juniper Systems, Inc. having its head office at 1132 W. 1700 N. Logan, UT 84321 USA, to apply to the FCC for a change in identification as specified under 47 CFR 2.933 of the FCC rules.

This authorization applies to Silicon Laboratories Finland Oy Module WT11i-A, FCC ID: QOQWT11IA.

We are aware that Juniper Systems, Inc. intends to market the above referenced product under their FCC ID: VSF24667.

Silicon Labs is not delivering custom labeled modules. The modules will be delivered with their original FCC ID and Juniper Systems will take full responsibility of labeling with the new FCC ID (VSF24667)

Sincerely,

A handwritten signature in blue ink, appearing to read 'Johannes Lehto'.
