GET CONNECTED

io
TALK1

EN

STEP 5

Pair to IO TALK1 using Bluetooth passcode: 0000

STEP 6

Now connect to IO TALK1.

(Note: ensure no other device is connected to IO TALK1 when first connecting).

STEP 7

Your IO TALK1 will then confirm that your device has been successfully connected.

If the pairing & connecting of your device fails please disconnect all devices from IO Talk1 and turn off Bluetooth on all other devices then repeat STEP 4.

If you still have problems pairing your device then please refer to the FAQ section of this guide, or visit www.my-io.com/support for the full IO TALK1 User Manual.

NOTE: AS SOME MANUFACTURERS DIFFER PLEASE REFER TO YOUR PORTABLE DEVICE HANDBOOK WHEN ENABLING, SEARCHING, PAIRING AND CONNECTING BLUETOOTH.

WARRANTY

Armour Automotive warrants this product to be free from defects in material and workmanship under normal use for a period of 12 months from the date of original purchase with receipt. Should service be necessary under this warranty for any reason due to manufacturing defect or malfunction during the warranty period, Armour Automotive will repair or replace (at its discretion) the defective merchandise with equivalent products. The warranty excludes damage or abuse caused by customer misuse. All warranties are to be handled by the original retailer where the goods were purchased.

This warranty is valid only for the original purchaser and is not extended to owners of the product subsequent to the original purchaser. Any applicable implied warranties are limited in duration to a period of the express warranty as provided herein beginning with the date of the original purchase at retail, and no warranties, whether express or implied, shall apply to this product thereafter.

Armour Automotive does not warrant failure of an iO product caused by incorrect installation by a non approved installation center.

TRADEMARK

All rights reserved. The iO trademarks are the sole and exclusive property of Armour Automotive. Any other trademarks or names used in iO documentation are copyright protected and are the sole and exclusive property of their respective owners.

COPYRIGHT

Copyright 2007; Armour Automotive. All rights reserved. The total or even partial reproduction, transmission or storage of this guide in any form or by any process whatsoever (electronic, mechanical, photocopy, recording or otherwise) is strictly prohibited without prior consent from Armour Automotive.

MODIFICATIONS

The explanations and specifications in this guide are given for information purposes only and may be modified without prior notice. They are deemed to be correct at the time of going to press. The utmost care has been taken when writing this guide, as part of the aim to provide you with accurate information. However, Armour Automotive shall not be held responsible for any consequences arising from any errors or omissions in the guide. Armour Automotive reserves the right to amend or improve the product design or user guide without any restrictions and without any obligation to notify users.

As part of our ongoing concern to improve our products, the product that you have purchased may differ slightly from the model described in this guide. If so, a later version of this guide may be available at www.my-io.com

DECLARATION OF CONFORMITY

We, Armour Automotive of Bordon, Hampshire, UK hereby declare under our sole responsibility that our product, the device described in this guide to which this declaration relates in conformity with appropriate standards EN300328, EN300220-1, for a class 3 receiver, EN301489-17, EN301489-3, EN60950 following the provision of Radio Equipment and Telecommunication Equipment directive (1999/5/EC R&TTE). The declaration of conformity (DoC) concerned has been signed. Please call the company if you require a copy of the original or refer to www.my-io.com/conformity

FCC COMPLIANCE STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. The manufacturers are not responsible for any radio or TV interference caused by unauthorised modification or incorrect installation of this equipment. **FCC ID: VUHIOTALK1**

BLUETOOTH

The Bluetooth word mark and logo are owned by the Bluetooth® SIG, Inc. and any use of such marks by Armour Automotive and Armour Automotive's brand iO is under licence. Other trademarks and trade names are those of their respective owners. **QD ID: B014016**

E-MARK  10R-021267

CORRECT DISPOSAL OF THIS PRODUCT (WASTE ELECTRICAL ELECTRONIC EQUIPMENT)

This marking shown on the product or its literature, indicates that it should not be disposed of with other household wastes at the end of its working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources. Household users should contact either the retailer where they purchased this product, or their local government office. Business users should contact their supplier and refer to the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes for disposals.

Please dispose of batteries according to local regulations. Do not dispose as household waste.

SAFETY WHILST DRIVING

Having a phone conversation whilst driving reduces your attention. When you are driving:

- Never use a hand-held mobile phone
- Never send text messages (SMS) or (MMS)
- Warn the person you are talking to that you are driving and will have to make the conversation short.
- Only use your phone when it is safe to do so.

Important: The driver is completely responsible for the safe operation and control of their vehicle at all times.
