Attn: Director of Certification

Dear Sir or Madam

We, Healthsense, Inc, 1191 Northland Drive, are requesting Limited Modular Approval (LMA) on the 802.11 Modular Sensor Radio and hereby declare that the 802.11 Modular Sensor Radio will only be integrated into Healthsense products. Therefore, Healthsense will retain full control of final installation

An internal use only design manual exists for this product, since Healthsense is the integrator. However, the following regulatory notices will be included in the end product manuals.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device contains FCC ID: VUR100033

CAUTION: Changes or modifications not expressly approved by Healthsense could void the user's authority to operate the equipment.

In addition, the wording "Contains FCC ID: VUR100033 will be included on the label of the device in which the 802.11 Modular Sensor Radio is installed.

Sincerely

A handwritten signature in black ink that reads "Brian J. Bischoff". The signature is fluid and cursive, with "Brian" and "J." being more stylized and "Bischoff" being more clearly legible.
