RE: CONFIDENTIALITY REQUEST FOR LTE700 Repeater. FCC ID: VUV-LTE700UC26

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the required to be submitted with this application be permanently withheld from public review.

- LTE700 Repeater Internal Electrical design drawings
- LTE700 Repeater Parts List

These documents contain detailed system and equipment descriptions and related information about the product, which Cellvine considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Cellvine feels that this information would be of benefit to its competitors

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in blue ink that reads "Cellvine Ltd." The signature is written in a cursive style with a large, stylized "C" at the beginning.
