REF: **Class II permissive change**, pursuant to **§2.1043**, for FCC ID: **VV7-MBMF33072**

Dear Sir or Madam:

Pursuant to §2.1043, **Ericsson AB** hereby submit a request for Class II permissive change to our Mini-PCIe wireless card, model **F3307**, FCC ID: **VV7-MBMF33072**.

Description of the changes:

Slight HW changes due to exchange of obsolete component. For more details please check:

- Operational description – Detail description of changes
- Schematics
- Bill of materials
- PCB layout diagrams
- External photographs
- Internal photographs

The following exhibits from the original application remain unchanged, applicable and representative after this Class II permissive change:

- Block diagram
- Operational description – Theory of operation
- Operational description – Two-ways authentication method
- User's guide
- Label design
- Label location

Compliance/Responsibility statements:

- New exhibits to demonstrate the continuous compliance with Part 15B, Part 22, Part 24, and RF exposure requirements are submitted with this application.
- The product remains compliant with all the applicable rules and requirements once performed this Class II permissive change.
- Changes in the configurations indicated in this application and final compliance of the host device + modules composite system fall under the responsibility of the host product manufacturer.

Sincerely,

Bernie Fuller, CEng, BEng, MIET
