Hi Hilton,

I can confirm that the attached label diagrams are for the multi transmitter product options located within the Inspiron 910 netbook.

These documents detail the label diagrams associated to the colocated modules which will be attached to the bottom of the netbook and are entitled as follows:

FCC QiaoHong Label VV7-MBFM3507G-D[1] - Dell Wireless 5530

QDS-BRCM1028 - Dell Wireless 1395

PPD-AR5BXB63 - Atheros XB63

MCLBCM92046 - BCM92046

Best regards

Bernie
