

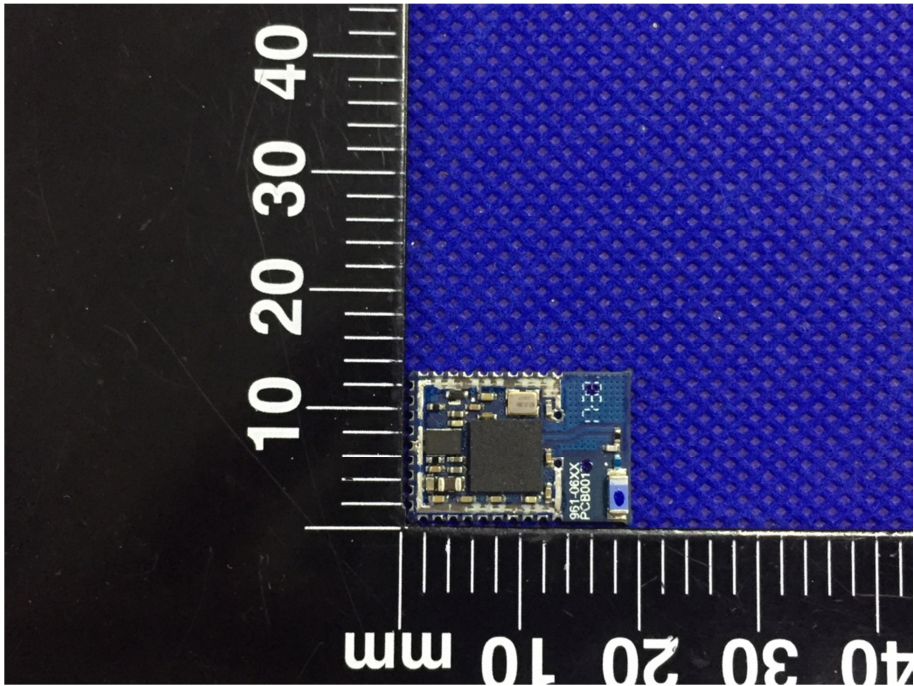

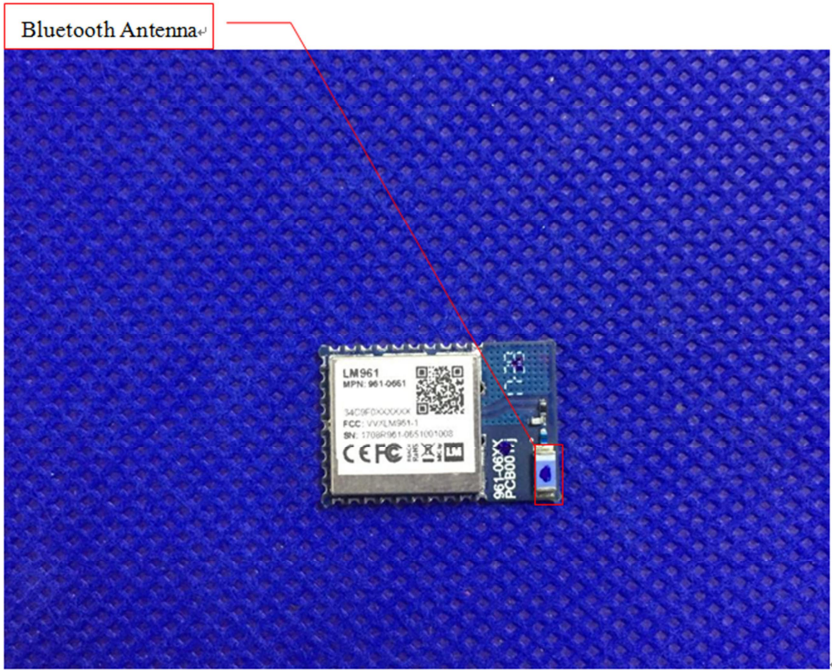

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph showing a small electronic component, likely a Bluetooth module, mounted on a blue textured surface. A black ruler with white markings is placed vertically to the left of the component, showing measurements from 10 to 40 mm. The component is a small, rectangular circuit board with various components and a QR code. The text '961-08XX PCB001' is visible on the component.
Antenna View	 A photograph showing the same electronic component from a different angle, focusing on the antenna. A red line points from the text 'Bluetooth Antenna' to the antenna area. The component is a small, rectangular circuit board with various components and a QR code. The text 'LM961 MPN: 961-0861' and '961-08XX PCB001' are visible on the component.
