Dear Sir or Madam,

Some of the material included in this application contains trade secrets and proprietary information not customarily released to the public. Because public disclosure of the material might be harmful to the application and provide unjustified benefits to its competitors, it is request that the following be withheld from public disclosure:

- Schematics
- Detailed Block Diagrams
- Detailed Operational/Functional Description

We request confidentiality because our manufacturer, Tandy Radio Shack Ltd., has invested considerable time and materials in research and development to produce the referenced product. Disclosure of confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by Tandy Radio Shack Ltd.
