25 Jan 2008

Federal Communications Commissions  
Authorization and Evaluation Division  
7435 Oakland Mills Road  
Columbia, MD 21046

To Whom It May Concern:

The letter grants authorization for a representative of Starbridge Networks L.L.C. to apply for a new FCC identification: **VYJ-LYNX526**. This authorization applies to Aztech Systems Ltd. Product name ADSL2+ 802.11b/g 4 port managed Switch Router . FCCID: **I38-DSL1015EW**, granted on **2008-01-18**. The equipment is electrically identical. The only change will be the label on the device. The original test results, technical information and relevant documents continue to be representative of and applicable to the changed equipment.

Should there be any question, please feel free to contact us.

Sincerely,

-----
