Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, labeled '002152 V1.0' and '20220816', placed on a blue textured surface. The component features a central black square component and several soldered connections. A black L-shaped ruler with white markings in millimeters is positioned around the component for scale.
Antenna View	 A photograph of the same green PCB component from a different angle, showing three large circular gold-colored antenna pads. A red box labeled 'Antenna' points to the central pad. The component is placed on a blue textured surface, and a black L-shaped ruler with white markings in millimeters is positioned around it for scale.
