

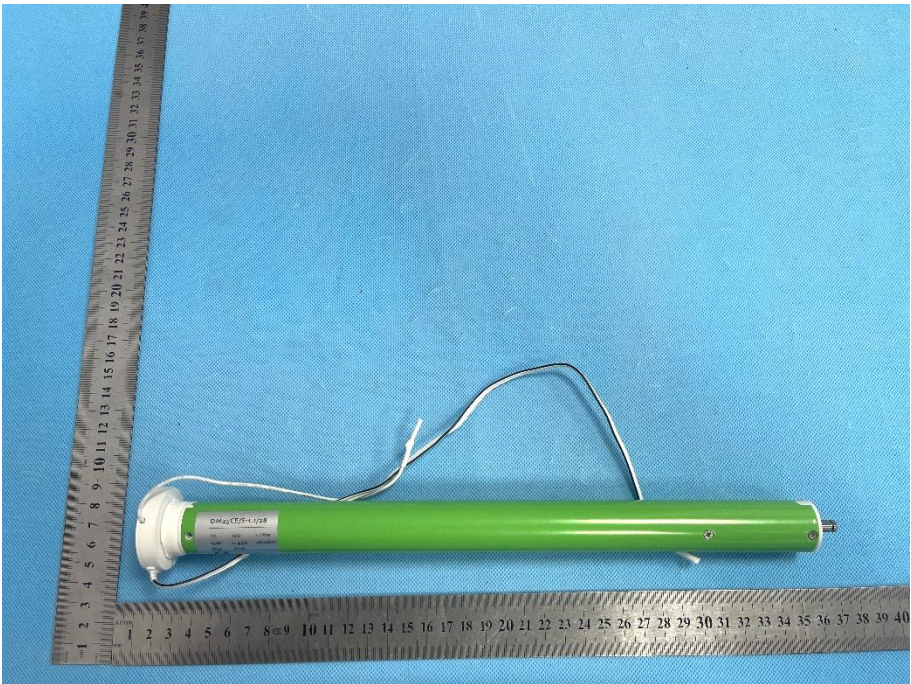

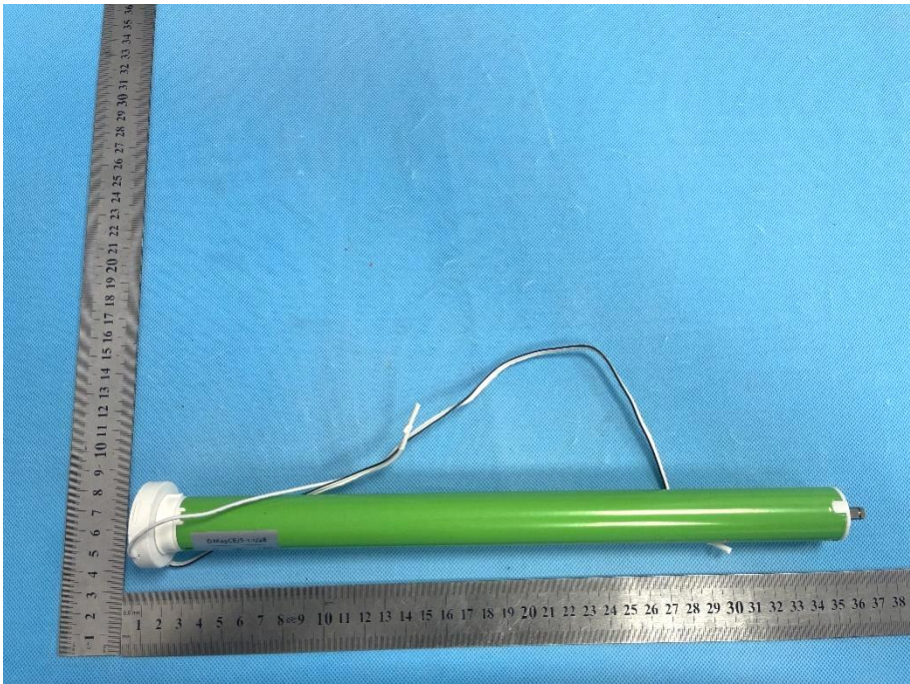

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph of a green cylindrical device, likely a medical device, lying horizontally on a blue fabric surface. The device has a white cap on the left end and two thin wires extending from it. A metal ruler is placed vertically to the left of the device, showing measurements in centimeters. The device is approximately 10 cm long.
EUT View 2	 A photograph of the same green cylindrical device, lying horizontally on a blue fabric surface. The device has a white cap on the left end and two thin wires extending from it. A metal ruler is placed vertically to the left of the device, showing measurements in centimeters. The device is approximately 10 cm long. The label on the device is visible, showing the text "DM24CE5-1.128B".
