

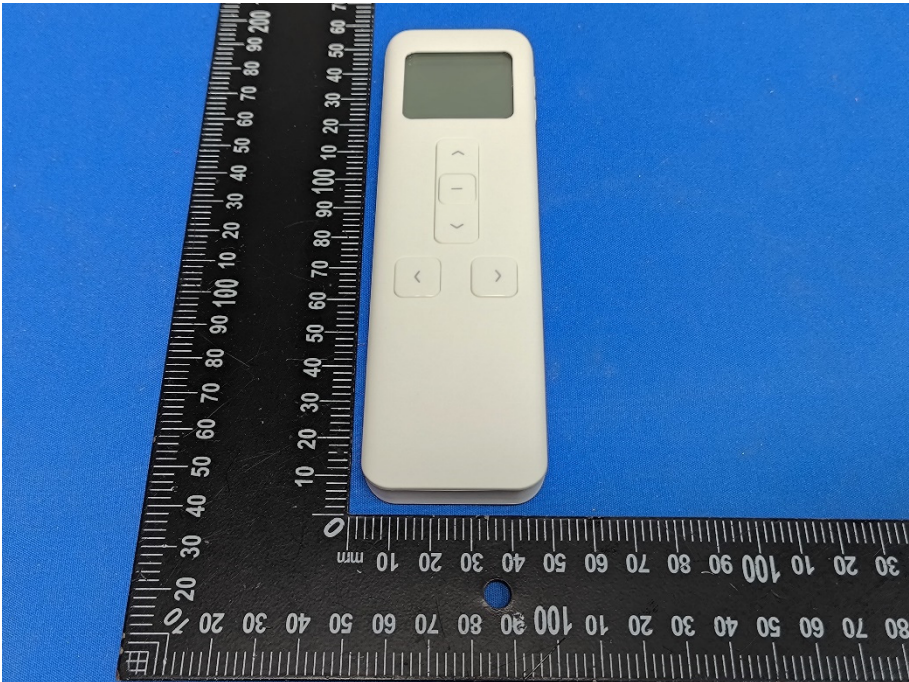

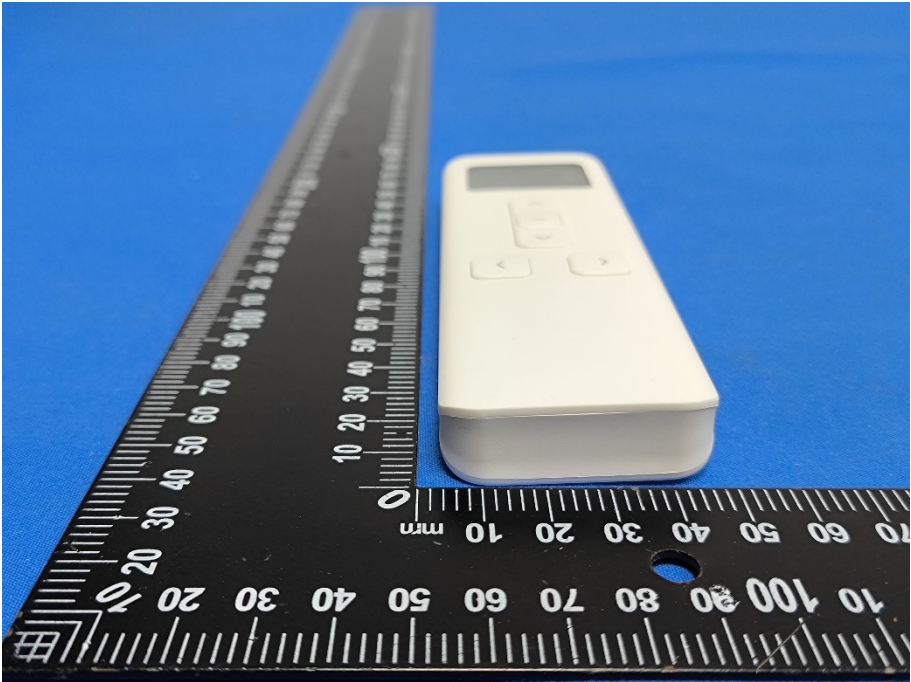

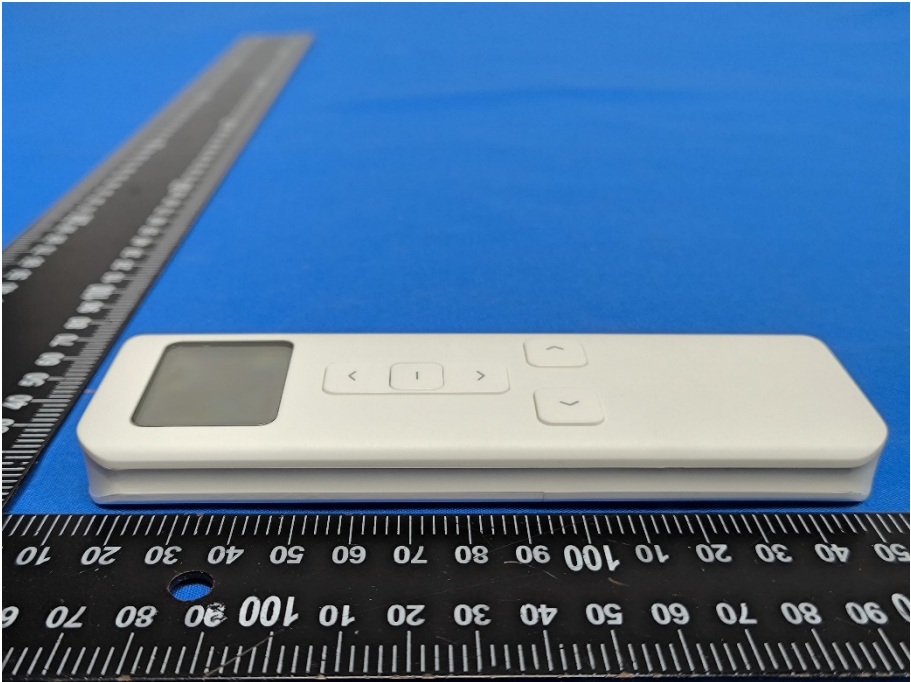

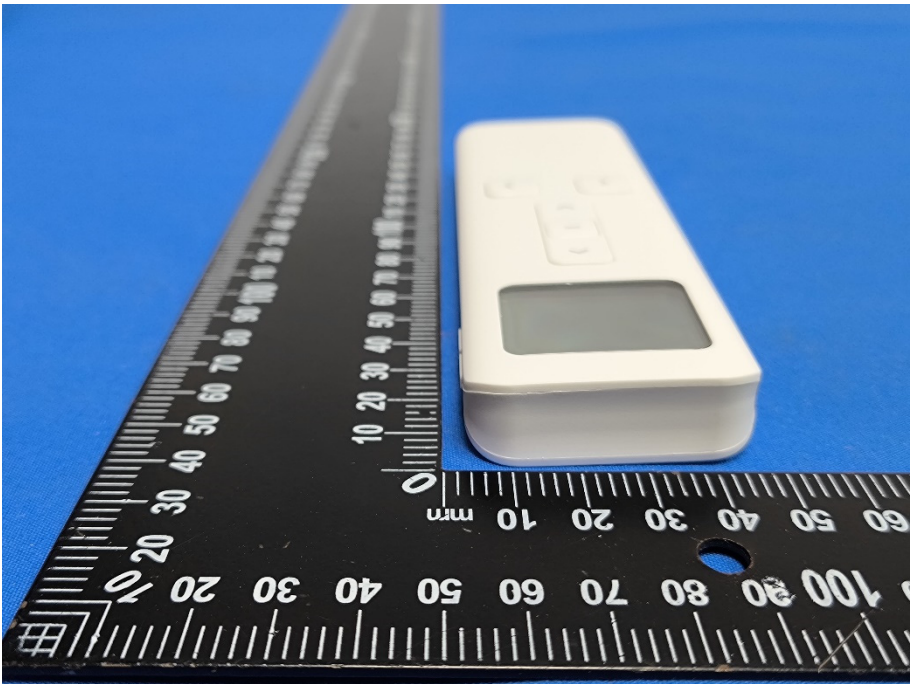

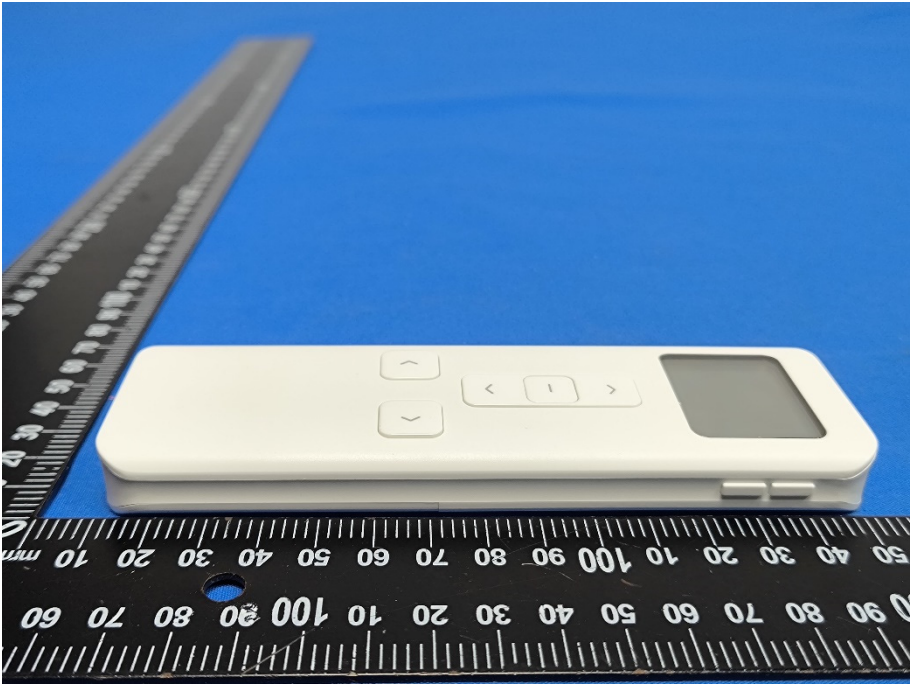

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front of a white, rectangular handheld electronic device. The device has a small monochrome screen at the top, followed by a directional pad with four arrows and a central button. Below these are two more buttons. The device is placed on a blue surface next to a black L-shaped ruler for scale. The ruler has markings in centimeters and millimeters.
EUT View 2	 A photograph showing the back of the same white handheld electronic device. A label is affixed to the back, displaying the text: "Model: DD7602E", "Manufacturer: Eutec", "AAA 1.5Vx2", and "630-85-030-19485". There is also a CE mark on the label. The device is placed on a blue surface next to the same black L-shaped ruler as in the first view.

EUT View 3	 A photograph showing a white, rectangular electronic device (EUT) with a small screen and several buttons. The device is positioned vertically next to a black ruler with white markings. The ruler is placed on a blue background. The device's height is approximately 10 cm.
EUT View 4	 A photograph showing the same white electronic device from a different angle. The device is positioned horizontally next to a black ruler with white markings. The ruler is placed on a blue background. The device's width is approximately 10 cm.

EUT View 5	 A photograph showing a white, rectangular electronic device (EUT) with a small, dark screen and several buttons. The device is positioned vertically next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters. The background is a solid blue color.
EUT View 6	 A photograph showing the same white electronic device from a different angle. The device is now lying horizontally, showing its top surface with the screen and buttons. It is placed next to the same black ruler for scale. The background remains solid blue.
