

The logo for Sentinel, featuring the word "SENTINEL" in a bold, white, sans-serif font, followed by a registered trademark symbol (®). The logo is positioned on a dark red background that also features a white, stylized, curved graphic element resembling a 'C' or a swoosh.

To: FCC Telecommunications Certification Body

We have incorporated the Quectel EG91-NA cellular module into our MultiTrak II device with FCC ID VZLSMTP010MT2, pending approval.

We have included these test reports associated with EG91-NA module, FCC ID XMR201807EG91NA:

- R1805A0250-R1
- R1805A0250-R2
- R1805A0250-R3

The module installed in our MultiTrak II device is identical to the module tested in the above reports and has been installed per Quectel instructions. Therefore, these reports accurately represent the test results of the MultiTrak II device.

Thank You,

A handwritten signature in black ink, appearing to read "Michael Bermingham".
