REQUEST FOR LONG-TERM CONFIDENTIALITY

LAT-LON, LLC
2300 S. Jason St.
Denver, CO 80223

FCC ID: W54-X15500M

Pursuant to §0.457(d) and 0.459 of the FCC rules and FCC Guidance document 726920, we would like to request the long-term confidential treatment of the following documents regarding this submission:

Block Diagram
Schematics
Parts List (BOM)
Operational Description

These items contain detailed system and equipment description and related information about the product which **LAT-LON, LLC** considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, **LAT-LON, LLC** also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.
