

Date: 2 December 2014

Federal Communications Commission
Authorization and Evaluation Division

Confidentiality Request regarding application for certification of
FCC ID: W8F800960000

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby
request confidential treatment of information accompanying this application as
outlined below:

CONF APPENDIX NNR + Switch BlkDia.pdf
CONF APPENDIX NNR + Switch PartsLst.pdf
CONF APPENDIX NNR + Switch Schem.pdf
CONF APPENDIX NNR + Switch OpDes.pdf
CONF APPENDIX NNR + Switch IntPho.pdf

The above materials contain trade secrets and proprietary information not
customarily released to the public. The public disclosure of these materials may
be harmful to the applicant and provide unjustified benefits to its competitors.

The exceptional circumstance allowing long term confidentiality for interior
photos for this application are:

The product NNR is a component which is used in a payment application for
reading and transferring credit card data which is Security Information.
The Internal Photos contain trade and secrets and proprietary information not
customarily to public. The public disclosure of these materials may be harmful to
the applicant and provide unjustified benefits to its competitors.

The NNR pcb which contains both the 2.4 GHz and 125kHz transmitters is
covered in epoxy (ENCAPSULATED). Removal of the epoxy will cause damage
to the circuit boards and the transmitters will cease to function.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure
of this application and all accompanying documentation will not be made before
the date of the Grant for this application.

Sincerely,

Thank you,
