To Whom It May Concern:

Subject: Validity of Test Results from Testing / Certification of the Integrated Module

This is to confirm that the results from conducted tests applied to the radio module Cinterion BGS2-W, FCC ID QIPBGS2 and IC ID 7830A-BGS2, which is incorporated in our host equipment Remote Access Device, FCC ID W9T-P10300 and IC ID 8174A-P10300, and as reported in module test report 2-20795542b/11 accurately represent the test results under the new conditions when the identified radio module is integrated in the identified host equipment. By integration of the said radio module into the identified host equipment no changes were made to it or by external adaptation circuitry that impacts the validity of the results of the original module's test reports.

Sincerely,

Chris Hunt  
Electrical Engineer
