Re: Request for confidentiality

Applicant: Geospace Technologies Corporation

FCC ID: WAOAQLNK

To whom it may concern,

Request is hereby submitted by Geospace Technologies Corporation to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Block diagram
- Operational Description

Geospace Technologies Corporation has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading-edge technology developed by us.

Sincerely,

A handwritten signature in blue ink, reading "Mark B. McAllister". The signature is fluid and cursive, with the last name "McAllister" being particularly prominent.
