RE: Providing Class II Permissive Change letter to customer

To Whom It May Concern:

This letter grants authorization for representatives of Clinton Fleming of MSA Innovation, LLC to make a Class II Permissive Change application to FCC ID: WAP3028 and IC: 7922A-3028 for the following reason: to allow co-location with other radios inside the MSA Innovation host device.

This authorization gives authority to Clinton Fleming to act on our behalf, as our agent, in the following matters related to the FCC and/or ISED approval of this product: report submittal, related correspondence, the signing of all documents relating to these matters, and any other lawful activity necessary to obtain this Class II Permissive Change certification. Any act carried out by Clinton Fleming within the scope of this authorization shall have the same affect as our own.

This authorization shall expire 12 months from original date.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kal Dharanipragada".
