Attention: Application Examiner

Re: Request for confidentiality

Applicant: Packet Power, LLC

IC: 8751A-P2T3P

To whom it may concern,

Request is hereby submitted by Packet Power, LLC to withhold permanently from public review certain portions of this application for equipment certification. This request for confidentiality is made pursuant to the Canadian *Access to Information Act*. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- User manual – the product requires professional installation and cannot be serviced by the end consumer.

Rationale for request for confidentiality:

Packet Power, LLC, has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Steve VanTassel".
