Dear Sir / Madam,

The incorrect FCC ID number had a hyphen in the initial uploaded label and user manual (exhibits: Label.pdf and User Manual 2.pdf) and was incidentally uploaded. The FCC ID number was corrected, the hyphen was removed. The corrected FCC ID number is reflected in the new uploaded label and user manual (exhibits: Label2.pdf and Usermanual3.pdf).

Please, we would like to supersede initial exhibits: Label.pdf and User Manual 2.pdf with corrected exhibits: Label2.pdf and Usermanual3.pdf to reflect the corrected FCC ID number.

Thank you.

Regards,

Uri Spector, NCE
Sr. EMC Engineer
