Family Certification request letter

We hereby request Family Certification for the above mentioned HVINS/Models based on them being electrically, and physically identical apart from model name/number.

Include description of differences between the models here, along with explanation on how the test results apply to all models. A table can also be included describing the differences between models.

1. Electrically identical?
LWTX00100 and LWTX00200 are electrically identical except the latter contains a pre-certified POCSAG module.
2. Have the same antenna type/gain?
The antennas are the same.
3. Have the same enclosure?
The enclosures are the same.

Sincerely,
