RE: FCC ID: WDKAM46 requestt for supercede of originally uploaded label and users manual

FCC ID: WDKAM46

Please supercede the following uploaded on 7/27/08:

1. ID label under the label/location exhibit type.
2. Users manual

The reason for the request is to incorporate ce and ul approval labeling on one label and to indicate a range of voltages in the manual.

The rev label and users manual is uploaded today, 9/6/08.

Thank you.
