

Warranty

7" Digital Picture Frame (36971) Limited 1 Year Warranty
 Staples the Office Superstore, LLC ("Staples") warrants to the original purchaser that this 7" Digital Picture Frame shall be free of defects in design, assembly, material, or workmanship for 1 year from the date of purchase. In the event of a defect in the design, assembly, materials or workmanship of this product within 1 year from the date of purchase, Staples will either replace any such product with the same or equivalent product free of charge or refund 100% of the purchase price at Staples' sole option. To claim your replacement or refund, contact product support at 1-866-540-8831. If replacement is necessary as determined by Staples, you will be required to pack the product and ship it (at your expense) with the original sales receipt to the address you are provided by product support. No product will be accepted without first obtaining a Return Authorization Number from product support. You are responsible for the proper packaging of the product, for any and all damage resulting from shipping, and all shipping charges are the responsibility of the product to Staples. This warranty does not cover normal wear or damage from misuse, abuse, improper storage or handling, installation, accident, repair or alteration or other circumstances not directly attributable to manufacturing or material defects. THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHERS, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED. STAPLES SPECIFICALLY DISCLAIM ANY AND ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL STAPLES BE LIABLE FOR ANY INCIDENTAL, DIRECT, INDIRECT, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES (SUCH AS BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, BUSINESS, SAVINGS, DATA OR RECORDS) RELATED TO THIS PRODUCT. This warranty gives you specific legal rights, and you may also have other rights that vary depending upon the state, province, territory or country. Some states, provinces and territories do not allow the exclusion or limitation of incidental or consequential damages or limitation on how long an implied warranty lasts.

Except as stated herein, no other warranties shall apply.

Slideshow Transition – This allows you to choose from among several transition effects.

Slideshow Speed – The slide show speed can be set to Fast, Normal or Slow.

Display Image Size – Select Original to have your photos show in their original shape even if they do not match the shape of the screen. Select Optimal to have your photos fill the screen (some cropping may occur).

Language – This allows you to choose different language. English/French/Spanish.

Reset Setting – This allows you to reset factory default settings.

Copying and Deleting Files

Photos can be deleted or copied to another type of memory. For example, you can copy your pictures from the memory card you normally use in your camera to the Internal Memory. To copy one photo, highlight the thumbnail, press and hold the Exit button. Highlight Copy Selected and press OK. The picture will be copied.

To copy multiple pictures at once you can select them before accessing the Copy Selected function. To select a photo for copying, highlight it in the thumbnail screen and press and hold the Up button on the back of the frame. A check mark will appear in the corner of the thumbnail. Select all the photos you would like to copy and then press Exit and Copy Selected as described above. To delete, highlight the file or files as above and select the delete option from the menu.

Connecting to a computer

Using the supplied USB cable, you can connect your digital picture frame to a computer to transfer files between the two devices.

With the frame turned off, connect the small end of the cable to the frame and the large end to your computer. Turn the frame on and allow the computer a few moments to recognize the device. The frame's internal memory and any memory cards inserted in the frame will appear as external storage devices on the computer.
